

The Exceptional Family Member Program (EFMP)

EFMP is a mandatory enrollment program that works with other military and civilian agencies to provide comprehensive and coordinated medical, educational, housing, support and personnel services to families with special needs.

An exceptional family member is a family member (adult or child) with any physical, emotional, developmental or intellectual disability that requires special treatment, therapy, education, training or counseling.

To enroll in EFMP at U.S. Southern Command (USSOUTHCOM) , the Service Member should contact the Health Clinic, POC Renae Rosania, Health Benefits Administrator, 305 437-1394, to begin the assessment process and to obtain enrollment forms.

Family Support EFMP services include information and referral to available community services, support groups and respite care as well as assistance with relocation.
